

## World Biofuel Day

Every year 10th August is observed as World Bio-Fuel Day in a bid to create awareness about non fossil-fuels (Green Fuels), "World Biofuel Day" is observed every year on 10th August.

Ministry of Petroleum & Natural gas has started observing the World Bio fuel Day since 2015. In continuation to this, the Ministry of Petroleum & Natural Gas is celebrating World Biofuel Day - 2017 on 10th August, 2017 at:

*Mawlankar Hall, Constitutional Club of India, New Delhi.*

*This year celebration is purely focused on future prospects in bioenergy sector for the students and young scientists. Hence, the theme of this year celebration is:*

***“EDUCATION AND ACTION TODAY FOR SAFER FUTURE”***

Students from AICTE institutes in Delhi NCR region can participate in the celebration of World Fuel Day (No registration charges are there). Also, students/scholars/Professors from the AICTE institute working in the field of Biofuel/biogas, will be given a chance to make their presentation in the programme. In this connection the institutes working on various initiatives on Biofuels and interested to present their work are requested to share one page abstract on email [biofuelworkinggroup@gmail.com](mailto:biofuelworkinggroup@gmail.com) to get an official invitation.
