"Chhatra Sansad" Students' Parliament) to discuss ideas on  
"Shikshit Bharat, Saksham Bharat"- Quality Education for All.**

**Dear Sir/Madam,**

As you are aware, 17<sup>th</sup> November is observed as the International Student's Day. It is an occasion for students to deliberate on issues that concern them and their country. It is an occasion to share new ideas and to suggest new ways of moving forward.

In the spirit of the International Students' Day, I would request each one of you to organize a discussion on "Shikshit Bharat, Saksham Bharat"-Quality Education for All. I would request faculty members to coordinate discussions of new ideas on quality education on this day and send us the deliberations and suggestions so that they could be acted upon in the course of evolving a new education policy. The perspectives of students are the critical one as they make the best assessment of what the education system offers them.

We also propose to select the best recommendations and suggestions on the subject and to invite one student leader each from the selected institutes to Delhi to interact with the Minister of Human Resource Development and to attend Session of Parliament when the subject education is being discussed. The intention is to give students an opportunity to help in the framing of initiatives in education.

Education is the most powerful tool for advancement of the nation and most potent weapon to fight poverty. It is for this reason that the Department deems it fit to learn from the students on what will make our system even better to achieve "Shikshit Bharat, Saksham Bharat".

A line in confirmation of the compliance will be appreciated.

With regards,

Yours sincerely,

  
(S.S. MANTHA)
