

अखिल भारतीय तकनीकी शिक्षा परिषद्
ALL INDIA COUNCIL FOR TECHNICAL EDUCATION
(भारत सरकार का एक सांविधिक निकाय) (A STATUTORY BODY OF THE GOVT. OF INDIA)

Notification

08th July, 2016

2-2/D-NSQF/U.S Infra/2016

Sub: Opening of Industrial Training Institutes (ITIs), in spare capacity by Polytechnics approved by AICTE.

For enhancing the capacity of training with minimum investment and at the same time to promote optimum utilization of resources, the Ministry of Skill Development and Entrepreneurship (MSDE), Govt. of India, New Delhi and All India Council for Technical Education has decided that vocational training may be provided by using existing infrastructure, facilities or by creating additional facilities in Polytechnics wherever feasible.

The Council in its 45th Meeting held on 28th April, 2016 (vide item No. 45.03.11) and its 99th Executive Meeting held on 01st June, 2016 (vide Item No. 99.01.08) approved the proposal for convergence and co-existing of NSQF aligned skill development courses of National Council for Vocational Training (NCVT) with AICTE approved courses initially in 500 AICTE approved Polytechnics after necessary amendment in existing AICTE Regulations.

The Council is in process of notifying necessary amendment in "All India Council for Technical Education (Grant of Approval for Technical Institutions) Regulations, 2012", in the Gazette of India to allow AICTE approved Polytechnics to run NCVT Courses.

Polytechnics with requisite infrastructure and facilities as per the norms and standards prescribed by NCVT may apply to NCVT to run NSQF aligned NCVT courses in AICTE approved Polytechnics as per following guidelines:

1. The applicant will have to apply at QCI Portal (at window created for "Polytechnics") for Desktop Assessment.
2. QCI will do Desktop Assessment (DA) of application.
3. QCI will handover applicants' Desktop Assessment (DA) documents, along with their observation/remarks to DGT.
4. Thereafter these applications will be processed by DGT for physical verification & site assessment.
5. The Inspection for these Polytechnics will be carried out by the committee constituted by DGT.
6. The Committee will comprise of representatives from DGT Field Institute, a representative each from State Directorate (dealing with Craftsmen Training Scheme) & AICTE.

7. Any ACI observations of DA will be apprised to committee to take note of it.
8. The committee will submit its report to DGT Head Quarters.
9. DGT will send report to AICTE for its approval before affiliation by NCVT.
10. The proposal will be placed before 'Sub-Committee of NCVT dealing with affiliation' for grant of affiliation.

All AICTE approved Polytechnics willing to run NCVT courses may apply to NCVT as per the above prescribed procedure to get NCVT affiliation. Polytechnics may use existing surplus facilities available with the Polytechnic or may create additional facilities as per the Norms and Standards of NCVT to run such courses.

Polytechnics are advised to strictly adhere to all norms and standards prescribed by AICTE and NCVT to run Diploma level programme and NCVT courses to ensure the quality of education.
