Subject: Implementation of Direct Benefit Transfer Programme for 'Central Sector Scheme of Scholarship for College & University Students'

Dear Sir/Madam,

The 'Central Sector Scheme of Scholarships for College & University Students', introduced by Ministry of Human Resources (MHRD) in 2008-09, has been included in the Direct Benefit Transfer (DBT) programme of Govt. of India & scholarships to eligible students are disbursed directly in the bank account of the beneficiaries from 01-01-2013.

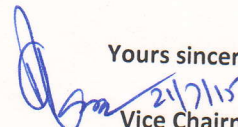

A mechanism to streamline & fast track the release of scholarship has been developed at National e-Scholarship Portal (<http://scholarships.gov.in/login.do>). The eligible students are required to apply online on the National e-Scholarship Portal. On successfully completing the application, it would be available for online validation to the University/College/Institute where the student is studying.

In view of the above, you are requested to initiate the following actions on **TOP PRIORITY**:-

- Mandatorily display about the Central Sector Scheme of Scholarship for College and University Students and regarding the new initiative of the Department at an appropriate place on your website,
- Validate the applications of eligible students received online to enable MHRD to process their cases; and
- Give wide publicity of this initiative of Govt. of India amongst student community of your institute.

I look forward to the cooperation of each and every AICTE approved Institution for the successful implementation of the scheme.

With regards.

Yours sincerely,
